TRANSFERS

Of Catholic Clergymen Are Made by the Bishop at Wheeling.

WHEELING, Feb. 21.—The Rt. Rev. Bishop Donahue has finally yielded to the desires of the citizens of New Martinsville in their most earnest appeals to have the Rev. Marcellus C. Van den Busche returned as rector of the church at that point. The deep attachment of the people of New Martinsville, irrespective of religious belief, was a complete but most gratifying surprise to the bishop and indeed to the Rev. Father Van den Busche himself. The people kept the mails and the telephone busy in urging their petition. On Sunday morning a large delegation came up. The popular young priest had been recently appointed to Rowlesburg, and neighboring missions.

The Rev. L. Hermann, recently of Littleton, has been appointed rector at Weirburg, as the Rev. T. A. Duffy resigned on account of continued ill health.

The Rev. Joseph Gormley was sent back to Clarksburg as an assistant.

MISS WATSON MISSING.

Miss Anna Watson, daughter of Brooks Watson, residing on Jackson street, is mysteriously missing and all efforts to locate her have been futile. She left home Saturday and has not been seen since by the members of the family. The cause of her disappearance is not known.

TESTIMONY

What Mrs. McCue Says About the Old German Tonicum.

Hornor, W. Va., Feb. 12, 1912.

Dear Sir:—Your letter of recent date at hand. In regard to the Tonicum, it is alright; both husband and I think it is a grand medicine; it does all you claim it will do. I do not know of anything better for rheumatism. My mother had rheumatism in her back so bad she could not walk and found no relief until she used your Tonicum. She thinks it is a wonderful medicine. You can use this for testimony if you wish. Thanking you for sample bottle.

Very respectfully yours,

(Signed) ADA MCCUE.

—SAY— —FOR INSTANCE—

—You are a married man on a comfortable salary and your age is 42 years while your wife's age is 36.

—And you arrange with The Penn Mutual to pay her \$75 a month as long as she lives.

—Supposing this arrangement goes into effect when your wife is 38 years old and that she lives to the age of 73—

—\$75 a month amounts to \$900 a year.

—She would therefore be receiving \$900 a year for 35 years or, to be exact, \$31,500 in all.

NO ONLY THAT, for the assurance of a steady income, month by month and year by year, will prove an effective barrier against the many uncertainties and misfortunes of the future.
